

Sexual Self-esteem for Women

Online Seminars

Sex can be pleasurable, fun...
and confusing.

It can create a bond or break a
bond.

Sex can create a 'high' and sex
can take us into a deep low.

And sex can also be hurtful.

It all just depends doesn't it?

One of the things satisfying sex depends upon is
good sexual self-esteem.

Six or Nine Week Online Seminars

Online facilitating by
ELAINE STOLL, BA, RTC,
Registered Clinical Counsellor

(604) 874-1022

Benefits of taking online sexual self-esteem seminars

- Access 24/7
- Log on to your seminar from anywhere using unique, time sensitive passwords
- Anonymity provided by choosing your own screen name

What other seminar participants have said about their online experience...

- "I like the anonymity combined with professional assessment and input."
- "I disclosed more because the others didn't know who I was."
- "I was able to sort through my sexual 'baggage'."
- "I felt comfortable and very free to really talk about my sexuality and my needs."
- "I became more comfortable with my sexuality."
- "I learned a lot about my sexual responses and sometimes lack of."
- "It was a very sex-positive experience for me."
